MANASQUAN HIGH SCHOOL

INSTRUMENTAL PROGRAM

ABOUT THE MHS BAND

At Manasquan High School we are fervently committed to providing a truly holistic music education to all students enrolled in our program. From the **Marching Warrior Band**, to the **MHS Concert Band** and the **Warrior Jazz Band**, the music making opportunities are unparalleled. All of the above ensembles require enrollment in the band class which meets during regular school hours as a scheduled class. The **Marching Warrior Band** has rehearsals throughout the summer and evening rehearsals once or twice a week during the football season. The **Concert Band** begins a month into the school year, consists of the same students who make up the **Marching Band** and only rehearses during the scheduled band class during the day.

Concert Band

The concert band made up of 9th-12th graders is at the core of the instrumental program at MHS. Students in this ensemble must be enrolled in the band class which meets during the school day.

Marching Warrior Band

The **Marching Warrior Band** is the marching band at MHS. This group performs at varsity football games and parades throughout the fall and spring seasons. Enrollment in the band class requires participation in this ensemble.

Warrior Jazz Band

The **Warrior Jazz Band** is an audition based group that plays music in a variety of styles and has weekly night rehearsals which start in the fall. Enrollment in either the choir or band class is required to participate in this ensemble.

WHAT WE DO

"My daughter and son were both part of the **Warrior Band** while at MHS. Being part of the band allowed them to meet new friends before school started which made the transition to a new school easier. The band is like a family - they support & help each other; they are role models & leaders to new band members."

- Trish Bauter, Band Parent 2012-2019

"MHS **Warrior Band** has been great for both of my boys. Having had one son graduate last year and very involved in the MHS **Band** throughout his high school career and the other one joining as a freshman this year. They really are a great group of kids that love to play and really have a bond like no other."

- Eileen Provenzano, Band Parent 2014-2022

"Band is a great place to meet new friends, play music, and have a blast. I joined band because I love music, and joining made my freshman year all the more easy because I had already met some other kids during band camp and summer rehearsals. There's a place for anyone and everyone in band!"

- Jenna Thomas, Band Member 2016-2020

"One of the best things about being a part of the band at MHS is going to the football games and performing the show for the audience. I like being able to see all of our hard work pay off by performing for people."

- Emma McBride, Band Member 2016-2020
